2021
UPDATE

Greetings brothers, sisters, and young people -

We pray this newsletter finds you well, as we all navigate an ever changing world awaiting the return of our Lord. What a tumultuous year we have all faced. We had desperately hoped to be able to meet in person for this year's camps, but unfortunately due to current local and provincial restrictions in response to COVID19, that will not be possible.

At this time, we are actively planning to hold a virtual school, Lord willing, this coming summer. We will be publishing more details in the coming months, and hope you will all be able to join us and participate. We endeavor to continue to pursue a return to the camps we know and love as soon as we are able in the province of Ontario. In the interim, we pray that our efforts will still provide some encouragement to strengthen the brotherhood in these last days - that we may all hold fast, till He come. Registration details will be forthcoming - so stay tuned!

It is our earnest prayer that our Lord sends His son to establish the Kingdom, and makes our plans obsolete. However, should He delay his coming, may He bless the efforts of our ecclesias and families in His absence. May that day be soon! Until then,

"Therefore, my beloved brethren, be ye steadfast, unmoveable, always abounding in the work of the Lord, forasmuch as ye know that your labour is not in vain in the Lord."

1 Corinthians 15:58

"...the LORD watch between me and thee, while we are apart."

Genesis 31:49
