Work Weekend
May 16-17, 2026

Projects may include a metal roof on the washrooms, building a sports equipment shed, plumbing and electrical upgrades.

NEW! themanitoulinrenewalproject

THIS ISSUE: please enjoy photos of the work completed by various brothers and sisters at the camp this year. 2025 has seen a lot of changes at the camp!

Old chairs pitched, new chairs purchased, two new fans and updates to the electrical panel in the pavilion.

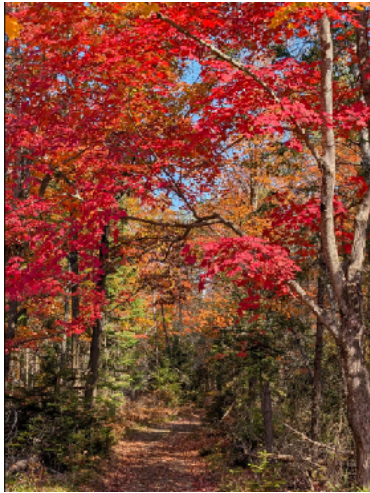

Old playground removed, new playground built, safety tested by teens and Dads.

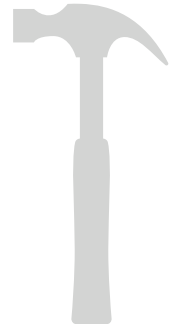

A big thanks to Tim and Rob Cooper for donating their time and materials, and Barry and Jeff Cooper for getting it done!

Yes, that's a hole in the road, spring 2025!...time for a new culvert.

The Fall Work Weekend is beautiful at Manitoulin! Trees trimmed, and brush carried away.

Lights installed under the store canopy, new shelves installed in the tiny homes....and the most daunting job! Double walls removed in classrooms, some with years of mouse infestation...

Wood removed from old chairs, old tables removed and taken to bonfire.
